

Bavuke Foundation

Raising Stronger Communities through Education, Health,
and Opportunity

Guided by Ubuntu: "I am because we are"

Our Vision & Mission

Our Vision

A nation where all citizens help one another to rise and achieve their full potential through health, education, and opportunity.

Our Mission

To improve lives by working collectively together so that others can rise and achieve their full potential.

Founded on Ubuntu—the belief that strength lies in unity. Anything is possible when we work together to help each other rise.

Our Three Focus Areas

Education

Numeracy, literacy, coding, and skills training from early childhood through post-secondary success. Setting up digital micro-schools and accredited training programs.

Healthy Lifestyles

Sports development, mental health support, nutrition, and community health checks. Building physically and emotionally healthy individuals.

Community Impact

Building strong partnerships, volunteer programs, and financial contributions. Creating pathways for everyone to give back and rise together.

Our Impact

500+

Children Served

95%

School Completion Rate

\$2.5M+

Invested in Care

Stories of Change

"Bavuke gave me a home and a chance at education. Now I'm in university dreaming of becoming a doctor."

Amara

Former Resident

"Supporting Bavuke is the most rewarding decision we've made. These kids deserve every opportunity."

James & Linda

Donors

"Volunteering here changed my perspective. The resilience of these children is absolutely inspiring."

Sarah

Volunteer

Get Involved

Donate

One-time or monthly donations support our education, health, and community programs.

[Donate Now](#)

Volunteer

Share your skills and time. Coach sports, tutor students, mentor young adults.
